Slater-Carter also stated that while service has long been deficient, rates in the Montara District are the highest in the area. O'Neill stated that under California-American Water Company's (Cal-Am) proposal, Montara District ratepayers are guaranteed that rates will soon be increased further. O'Neill further stated there is no basis for attributing any acquisition premium to Montara Sanitary District facilities. O'Neill stated that rates in Montara should be set on a cost of service basis with acquisition savings applied to offset, in part, the high cost of badly needed system upgrades.
